Vaibhav Itauriya

vaibhav23@iitk.ac.in | vaibhavitauriya@gmail.com
Final Year Undergraduate | Department of Mechanical Engineering
in Vaibhav Itauriya | Portfolio

Academic Qualifications

Year	Degree/Certificate	Institute	CPI/%
2023 - 2027	B.Tech	Indian Institute of Technology Kanpur	7.4/10.0
2023	CBSE (XII)	The Gramodaya International College, Mauranipur	91.4%
2021	CBSE (X)	The Gramodaya International College, Mauranipur	94.8%

Work Experience

Summer Intern | Jaguar Land Rover, Bengaluru *(May'26 - Jul'26)*

*Won **1st Place** in **JLR Global Hackathon**, representing **India** across **7+** countries | Awarded **Letter of Recommendation***

Objective	• Replace the **3-week manual audit bottleneck** that delayed compliance decisions for JLR's leadership & **10+ global teams** • Create a **single source of truth** on requirement-to-test coverage for **150+ engineers & 5+ auditors**, enabling data-led reviews
Approach	• Ran **stakeholder interviews** with developers, QA, architects & auditors to map the **as-is audit process** and key pain points • Defined **compliance KPIs** with project advisors & analysts, aligning leadership on how audit readiness is measured and tracked • Wrote **SQL queries on Amazon Redshift** over **1M+ artifacts** to quantify traceability coverage & flag compliance gaps by team • Built **KPI dashboards** for **200+ repositories** aligned to ASPICE and automated data refresh, so sync fell from **2 min to 5 sec**
Impact	• Cut audits from **3 weeks of manual work** to **on-demand analysis**, giving JLR leadership live compliance & lifecycle visibility • Drove adoption across **10 teams & 15+ projects** in SDV & ADAS, scaling to **500K+ linkages** ahead of the JLR-wide rollout

Product Management Intern | PFA India *(Personal Finance Assistance solution focused on Credit Cards and FIRE)* (*Jan'25 - Aug'25*)

*Awarded **Letter of Recommendation** and a **2-month internship extension** for exceptional performance | Worked directly with the **Founder***

Objective	• Optimize **credit-card selection & FIRE planning** for users overwhelmed by fragmented bank fees, rewards & eligibility data
Approach	• Led **market research** via **20+ interviews, 200+ surveys** & competitor benchmarking to identify key drivers of card selection • Built a **scoring model** ranking **25+ credit cards on 150+ parameters** (eligibility, fees, rewards) using data-informed weights • Tracked **acquisition, conversion & retention funnel** in Excel & SQL; recalibrated weights, scoped a **regression-based v2** • Automated weekly **pricing & fee data collection** from **15+ banks** via Python scraping, scaling from **3 to 50+ webpages/day**
Impact	• **Acquired 200+ users** via organic Reddit outreach; raised **card conversion from 2% to 7%** of recommendation clicks via GA4 • Achieved **65% repeat usage** (2-3 visits/month) & organic referrals, with ~**23-min sessions** & **8.4/10 CSAT** on recommendations

Key Projects

Campus Beats 2026: ZS Associates | Market Entry & GTM Case Competition *(Jun'26)*

*Ranked among **Top 10 nationally** in the case competition conducted by **ZS Associates** and secured a **Pre-Placement Interview***

Objective	• Develop an **India market-entry** and **GTM strategy** for NozSmoke amid low category awareness and a first-mover opportunity
Approach	• Sized the **TAM, SAM and SOM** using demographic filters, smoking prevalence and intent-to-quit data to assess market potential • Evaluated **price elasticity** and benchmarked 30-day regimen performance against **4 competitors** to guide pricing & positioning • Applied a **multi-criteria decision matrix** across **6+ parameters** to prioritize 3 advertising archetypes by target-segment appeal
Impact	• Projected **$45M+ SOM** for NozSmoke with a **12% market share by Year 2** via a hybrid clinical-emotional positioning strategy

Inter IIT Tech Meet 13.0 | Insolation Energy *(Dec'24)*

*Secured **5th Rank out of 23 IITs** in the consulting case problem statement conducted by IIT Bombay | Represented **IIT Kanpur***

Objective	• Develop a **data-driven predictive framework** forecasting India's solar-waste volumes and viable, scalable recycling solutions
Approach	• Modeled solar panel waste using **Weibull failure distributions** across 2 scenarios, triangulated with official MNRE forecasts • Prioritized **3 recycling routes** (mechanical, chemical, bio) via **cost-benefit analysis**, estimating an **INR 44K/tonne** unit margin • Scoped an **AI-led triage model** (gradient boosting, computer vision) routing each panel to reuse or recycling by fault risk • Designed a **decentralized collection network** via geospatial analysis; mapped stakeholders into a **five-year rollout roadmap**
Impact	• Forecasted **6.01 million tonnes** of solar waste by 2040, above IRENA's projection, quantifying India's recycling-capacity gap • Proposed national framework scaling to **70+ recycling plants**, processing **1.2 million tonnes annually**, projecting **9,410 jobs**

Position of Responsibility

Overall Placement Coordinator | Students' Placement Office, IIT Kanpur (*Mar'26 - Present*)

*Felicitated with **Certificate of Appreciation** by **Director, IIT Kanpur** for demonstrating exemplary leadership and management skills*

Leadership	• Leading a **4-tier team** of **250+** members to plan & execute the **internship and placement drives** for **3000+** IITK students • Managing **client relationships** with **500+** recruiters, aligning their hiring timelines, role requirements & selection processes
Initiatives	• Maintained a **10,000+ company database**; built **Excel pivot trackers** for recruiter pipelines, schedules & student data • Turned **faculty industry networks** into a recruiter pipeline through shared contact sheets and follow-ups on professor referrals • Published the **Annual Placement Booklet** analyzing sectoral trends, **PPO conversion rates** & skill benchmarks for students
Impact	• Contributed to **1300+ placement offers** & **600+ internship offers** in the 2025-26 recruitment season as Assistant Coordinator • Expanded recruiter base with **15+ Japanese firms** (Zacros, Tokyo Ohka Kogyo) & **7+ marquee firms** (LinkedIn, BNP, Point72)

Achievements and Extracurricular Activities

Business	**National Finalist**	**The Ken** × **Zerodha Case Competition 2026** (Agentic AI)	**Top 7%** among **6,000+** teams
	Semi-Finalist	**Bruce Henderson Ideathon 2025**, BCG (HealthTech GTM)	**Top 10%** among **700+** applicants
	National Finalist	**ProdMad 4.0**, IIM Shillong (Product Management Case)	**Top 10** among **2,000+** participants
	5th Rank	**ConsultQuest**, IITB × Piramal (Education Reform Case)	**5th** among **300+** teams nationwide
Technical	**384th Rank**	**Amazon ML Challenge 2026**, National ML Hackathon	**Top 1.5%** among **25,000+** teams
	National Finalist	**Project K**, KUKU FM (AI & NLP Story Generation Challenge)	Selected in **top 10** teams nationwide
Scholastic	**NTSE Scholar**	**National Talent Search Exam**, NCERT, Govt. of India	National scholarship awarded in **2021**
Sports	**1st Rank**	**Ultimate Frisbee Challenge**, Inter-Hall Championship	**3 consecutive years** as a champion
Managerial	• As **Product Club Secretary**, organised **8+ PM sessions** with **1000+ attendees** alongside BITS, IIT Jodhpur & IIM Shillong		
	• Organised **Nexus** in partnership with **TPF, YHills & Domnom**, engaging **200+ competing teams** with a **₹3L+ prize pool**		
Social	• Mentored **15+ underprivileged students** for **Boards, JEE & NEET** preparation as a **SATHEE volunteer** under IIT Kanpur
